## HINTERLAND Vitality Check

### Examples from typology: Type 4 Dippmannsdorf in Germany

#### Dippmannsdorf

Inhabitants: 400

Municipality: City of Belzig

County: Potsdam-Mittelmark

Vorderland distance:

65 km Southwest of Berlin

#### A voice from Dippmannsdorf:

„We're really happy still having a primary school in our village as well as many enterprises. In spite of these positive structures, there's a high rate of abandoned houses. Therefore, our biggest challenge is to solve this problem!“

Matthias Vierecke, member sports club

Project part-financed by the European Union (ERDF + TACIS)  
within the BSR INTERREG III B NP programme and the Federal Ministry of Traffic, Construction and Urban Development

## We are type 4!

What does it mean for our village and what do we have to do?

### Strengthen the strenghts!

#### Demography

- Positive age distribution and positive balance of migration

#### Economy

- Outstanding number of enterprises: 19

#### Social Life

- 6 clubs/associations and a huge number of active people

### Reduce the risks!

Most of the relatives do not live in the closer surrounding!

High rate of abandoned residences: 12%!

Keep your village attractive for immigrants, especially for young families!

Village parents build a playground  
for their kids

...and the kids helping too
